MOST HOLY TRINITY

A missionary from Africa, on his home-leave, came across a beautiful sundial. He thought to himself, "That sundial would be ideal for my villagers in Africa. I could use it to teach them to tell the time of the day." The missionary bought the sundial, crated it and took it back to Africa. When the village chief saw it, he insisted that it be set up in the centre of the village. The villagers were thrilled with the sundial. They had never seen something so beautiful in their lives. They were even more thrilled when they learned how it worked. The missionary was delighted by everyone's response to his sundial. He was totally unprepared for what happened a few days later. The people of the village got together and built a roof over the sundial to protect it from the rain and the sun! Well, the sundial is a lot like the Holy Trinity, and we Christians are a lot like the African villagers. The most beautiful

revelation of our faith is the teaching about the Holy Trinity, namely, the Father, Son and the Holy Spirit. But instead of putting the teaching to work in our daily lives, we have built a roof over it, just as the villagers did over their sundial. For many of us the Trinity seems of little practical value, when it comes to our daily lives. We treat it more like an ornament of our Faith. Today's feast invites us to live in the awareness of the presence of the Triune God within us: the Father, the Son and the Holy Spirit. The mystery of the Holy Trinity, one of the fundamental doctrines of Christianity and the greatest mystery of our Faith, namely, that there are Three Divine Persons, sharing the same Divine nature in one God. "There is one God, Who has three Persons, Father, Son and Holy Spirit. Each Person is God, yet there is still only one God" (C.C.C. #234, #253-256).
