SUPERNATURAL LOVE IN MARRIAGE

Have you experienced God's supernatural love helping you love those who are difficult to love? For those of us who are married, we expect to be loved by our spouses as much as we need to be loved. And we assume that it's always going to be mutual: We will always be loved by our spouse with the same passion as we love them. However, most marriages enter difficulties that require supernatural love as well as supernatural persistence. That's why we need the Sacrament of Matrimony instead of just a civil ceremony. Marriages need divine grace to endure with the permanence that God provides. Jesus explains that the Law of Moses permitted divorce because of the hardness of people's hearts. This is not an approval of divorce. He wants us to have hearts like his own which never stops loving anyone.

In the days of Moses, when a marriage became difficult or unsatisfying, many men abandoned their wives. Although marriage was from the beginning supposed to be a permanent covenant that united one man with one woman, a bill of divorce would allow an abandoned or rejected woman to remarry for her protection not an approval of divorce. Marriage is a reflection of God's faithful union with us. Permanence in marriage is a divine gift from God so that we can reflect him well. If we don't believe in the permanence of love within marriage how can we believe that God is always in love with us- including when we don't deserve it? And how can the children and others who watch us believe? Sometimes the lover goes to the Cross for the beloved. The vocation of marriage ordains the spouses to be a reflection of Christ's passion for all.

GOSPEL REFLECTION

Today Christ speaks to us of relationships and hardness of hearts. We are created for relationship with God and others. The loving and self-giving relationship of man and woman in sacramental marriage is to be a model. Relationships require openness and give-and-take. Hardness of heart and stubbornness are obstacles to the communion of relationship. Where is my hard heartedness an obstacle to my relationship with others, the Church or God?
